STUDENT REGISTRATION FORM**

COMMUNITY SERVICE PROGRAM PARTICIPATION AND RELEASE AGREEMENT

We are excited about having your teenager participate in EDGE's Community Service Program. By signature below, you acknowledge your awareness of the scope of activities in which your child will participate and recognize that with these activities come some risk and danger. Our adult volunteers and staff will do everything possible to ensure the teen's safety. However, there is always a risk in transporting youth from one venue to another. There are also some potential risks involved during any off-site volunteer activities.

You knowingly take responsibility for your child participating in any of the EDGE Community Service programs and indemnify, release, agree not to sue, and discharge EDGE Teen , Community Service and their agents, for liability and all costs arising from your teenager's participation in these community service activities. Your teenager has your approval, as parents or legal guardian, to participate fully in all activities, which may include but are not limited to helping to carry and stock food items on shelves, cleaning up both inside and outside facilities, using certain chemicals to help with weeding, riding in the EDGE van or driving to activities themselves. Unless you specifically direct your child not to participate in certain activities and inform EDGE@Cornerstone, Community Service Program in writing, we believe your teenager has your approval to volunteer at these sites and participate fully.
